

## ARRIVAL TO TARRAGONA

**By plane:** There are two airports close to Tarragona- Reus and Barcelona el Prat.

- **Tarragona – Reus airport** is 10 min away by car or Taxi (ca. 30 €)

The direct bus costs about 3-6 € one-way although tends to be every 3 hours. It is easier to take 2 buses and change in Reus, as this bus service is more regular.

During this period, there is no so much flight to Tarragona – Reus airport, please consult <http://www.aena.es/en/reus-airport/airport-destinations.html>.

- **Barcelona el Prat Airport** is an hour away and has a regular **bus shuttle service** (Bus Plana, which is 23.60 € return - For more information regarding times and fares, we recommend you visit the website <http://www.busplana.com/new2013/transfers.php>). There is also a **train service**, although travelling by coach is quicker and direct.

**Bus shuttle Service:** **Bus Plana** leaves from Terminal 1 (Ground floor and on the opposite side of the road). It goes directly to Tarragona and is the quickest way other than by car. There are **free transfer** (green buses), which shuttle people between terminals 1 & 2. The shuttle bus service takes about 10 minutes.

**Train shuttle service:** The **train** leaves from Terminal 2B (see Map) but you would need to take 2 trains to arrive from Barcelona el Prat Airport to Tarragona, changing in Barcelona Sants.

**1<sup>st</sup> train:** from the Airport railway station to Barcelona Sants station. There are trains every 30 minutes and the travel lasts 20 minutes. The station is located between T2A and T2B terminals (see map). The train is about 4-5 euros each way.

**2<sup>nd</sup> train:** from Barcelona Sants station to Tarragona. The cost of the second train depends on which service you choose. There are trains every hour and the travel lasts 1 hour.

If you choose the high-speed train (the **AVE** and Avant trains, timetable <http://www.renfe.es/horarios/english/index.html>), which can reach Tarragona in 36 minutes, the fare will cost about 20€ each way from Barcelona Sants. The train stops at **Camp Tarragona station**, which is 15 km away from the city centre. The Linea 1 bus will then take you into Tarragona.

There are two train stations in Tarragona, Camp Tarragona Station (**only** for high-speed trains) and Tarragona city train station (for standard trains - *regional*, *cercanias* and *rodalies*), which stops in the city centre. (<http://www.renfe.com/viajeros/cercanias/barcelona/index.html>)

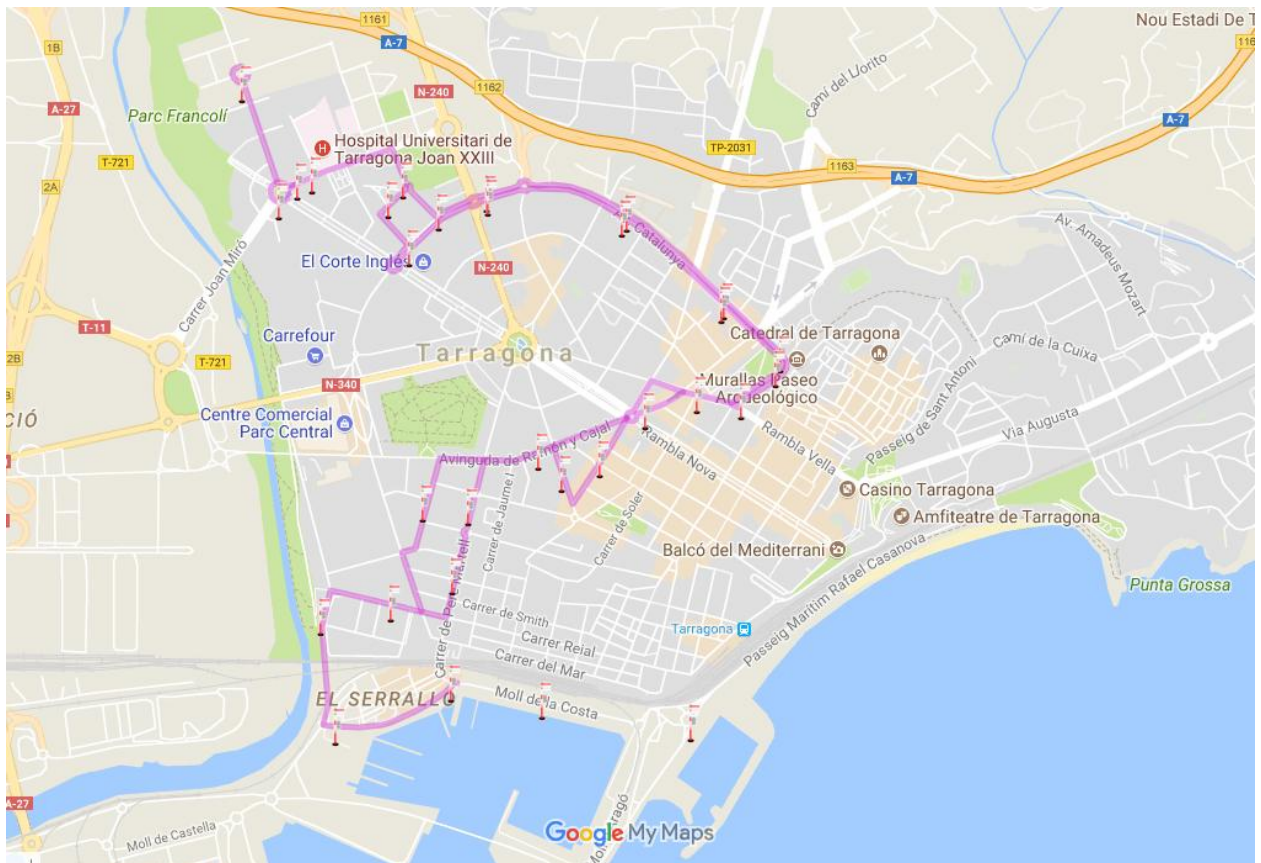

If you choose to take the standards trains take 1h-1h20 minutes from Barcelona Sants. This costs about 8 euros each way. To get the centre of Tarragona you can go by walk (10-15 minutes) or to take a bus Line 41 - 1.45 €.
